WHALESE (TOBACCO PRODUCTS, VAPO PRODUCTS, ALTERNATIVE NICOTINE PRODUCTS, OR E-LIQUIDS) PERMIT APPLICATION

Instructions

- Fully complete this Application. Incomplete Applications will not be processed. The Application must be notarized by a notary public and all required documentation must be complete and attached to the Application (refer to checklist; Page 10).

- Separate applications must be filed for EACH established place of business, including but not limited to subsidiary or partner companies that you are affiliated with that intend to sale products into Arkansas. Further, separate applications must be filed for retail permits if you intended to open a retail location and salesperson permits for each salesperson in Arkansas.

- Any legal Doing Business As (DBA) names that your company intends to use must be listed on the application and fully documented on your Secretary of State Filing. Only the legal name of the business or the legal DBA names registered with this office may be used on invoices or receipts of products issued to retailers in Arkansas. Any products issued under a name that is not registered could result in a violation for selling without a license being issued to your business.

- Newspaper Publication. The completed Application package (Application and required attachments) is to be sent to Arkansas Tobacco Control for review. Upon finalizing the review of the Application package for completeness, Arkansas Tobacco will notify Applicant. Applicant must then advertise its intentions to obtain a permit in a newspaper of statewide circulation. The notice shall be placed on two (2) occasions, seven (7) days apart. The date of the first publication shall be at least thirty (30) days prior to the meeting at which the Board will consider the Application (and attached documents). Please refer to Rules 3.1 through 3.10 of the Arkansas Tobacco Control Board Rules, located on the Agency website.

Definitions

- Alternative Nicotine Products. “Alternative nicotine product” means a “product that consists of or contains nicotine that can be ingested into the body by chewing, smoking, absorbing, dissolving, inhaling snorting, sniffing, or by any other means” and does not include a tobacco product or a vapor product.
