

ARKANSAS TOBACCO CONTROL

CIGARETTE AND TOBACCO INVENTORY REQUIREMENTS

Thank you for applying for a Cigarette and Tobacco Sales Permit with Arkansas Tobacco Control. If you are purchasing a business that sells tobacco, vapor/alternative nicotine/e-liquid products, and that business has an existing stock of tobacco products that will be transferred to your business, you **MUST** submit a detailed Inventory Log of all the tobacco products you are purchasing.

The Itemized inventory listing of ALL tobacco, vapor/alternative nicotine/e-liquid products will have all the information in the table below. Inventory Lists must be typed to ensure legibility and accurateness and should also have your business name, owner/CEO name and contact information. An example of an itemized inventory is below. Please use this example to create your inventory. Regardless of how you type your inventory please use the breakdown of information as provided in the example.

Should you have any questions please feel free to contact our office for assistance.

Thank you
