IMPORTANT NOTICE

Date: September 15, 2017
To: All Permitted Wholesalers
From: Steve Goode, Director
Subject: Act 1272 of 2013

As you know, A.C.A § 26-57-265 requires all wholesalers to file a monthly report with Arkansas Tobacco Control that shows all sales/deliveries to all retailers or other wholesalers. This includes sales/deliveries of all cigarettes, other tobacco products, vapor products, alternative nicotine products and e-liquid products to all retailers and wholesalers within the state as well as those located outside the state of Arkansas.

Arkansas Tobacco Control has developed an efficient means for you to report this information online each month. The link to upload this information is:

<https://rms.dfa.arkansas.gov/Login.aspx>

Once you enter your company information, you can simply upload your report. The report must be in a .csv format. For your convenience, a sample file is attached. You may use this file to ensure your report meets the requirements of the law.

Beginning October 1, 2017, all wholesalers shall upload this report to the online portal shown above. The report is due no later than the 10th of each month for the previous month's sales/deliveries.

If you have any questions regarding your compliance with Act 1272 of 2013, feel free to contact our office for assistance.
